

More appointments added to the provincial booking system today

Ottawa is receiving nearly 5,000 COVID-19 vaccine doses tomorrow. As such, appointments are now available in the provincial booking system for Ottawa residents who still need a first or are eligible for a second dose of the COVID-19 vaccine. These appointments are for residents age 12 and older, and will take place between Saturday June 12 and Monday June 14 at the Infinity Centre.

Residents can visit [Ontario.ca/bookvaccine](https://ontario.ca/bookvaccine) to access the provincial booking system or call the provincial vaccine booking line at 1-833-943-3900 between 8 am and 8 pm, seven days a week. Only book or call if you are eligible.

You may also be able to book your vaccine appointment at a local [pharmacy](#). Most pharmacies book appointments ahead of time and some allow walk-ins. Eligible residents should check with the pharmacy directly. Select primary care teams are also offering vaccines.

Follow the City's social media channels for updates on the provincial booking system. Sign up for the [COVID-19 vaccination update](#) e-subscription for regular news on the vaccine roll-out.

The City of Ottawa and Ottawa Public Health are committed to ensuring any resident who wants a

COVID-19 vaccine will receive one. Thank you for your patience.
