**Definitions:**

**Not-for-Profit** = An activity by an organization that is not intended to generate a profit and is open to everyone (e.g. Scouts)

**Private** = An activity for select members of the community (e.g. family members; invitees to a private party; members of a private club).

**Commercial** = An activity that is organized by a commercial business. It may be intended to generate a profit through the sale of goods or services and/or may require a registration or admission prior to participation.
