Vacant HCA Director Positions

The position of Sports Director for the Huntley Community Association will become vacant as of the Annual General Meeting scheduled for April 16, 2026. The Sports Director oversees various aspects of our sports programs in concert with the convenors of each program. If you would be interested in filling this position, or any other area of responsibility for our Association, please email Peter Green, President of the HCA at president@hca-carp.ca for more details. Applications for any Director position should be established at least 3 days prior to the AGM.

Please note that voting for a Director position at an HCA AGM does not include the potential responsibilities of the nominee. Nominees are voted to become a Director of the Association only. Responsibilities are then assigned to each individual who has been approved to be a Director by a Board of Directors vote during a subsequent Board meeting.
